Sharpening is performed by Paul Loder from Cookes Skate Supply. He will be parked in front parking lot near the circle at Conway Arena (Nashua, NH).

Price: \$25 cash, check made out to Paul Loder, or Venmo (@Paul-Loder-1).

Reservations for specific time slots required (see Sign-Up Genius), walk-ups will generally NOT be accepted. NOTE: Please only ONE pair of skates per slot! Only those members that sign up will have their skates sharpened, please check in with a GCFSC representative at the truck when you arrive. Please be aware of your lesson time and make your appointment for skatesharpener accordingly. We will not be able to change the appointment time as Paul's schedule is unable to be adjusted.

Skate sharpening will be scheduled every 4 to 5 weeks.

NOTE: Sharpening guidelines per Paul:

-For little ones or the once-a-week skater with entry level boot/blades, get their skates sharpened every 8-10 weeks. That would be someone that takes care of their blades and uses their guards and covers.

For a figure skater who is skating twice a week and is taking care of their equipment, Paul suggests sharpening every 4-5 weeks. This does not include outdoor rink use.
